# Example usage:
vocabulary = {"apple": "a fruit", "house": "a place to live", "book": "a wr
grammar_rules = {"present tense": "I eat pizza every Friday."}
pronunciation = {"hello": "hə'loʊ", "world": "wɜːrld"}

tool = LanguageLearningTool(vocabulary, grammar_rules, pronunciation)
tool.practice_vocabulary()
tool.practice_grammar()
tool.practice_pronunciation()
tool.track_progress()

```

What does 'house' mean?
Enter the meaning: a place to live
Correct!
What's an example sentence for 'present tense'?
Example: I eat pizza every Friday.
Press enter to continue...
How do you pronounce 'hello'?
Press enter to reveal the pronunciation...
Pronunciation: hə'loʊ
Your progress:
Vocabulary: 1 exercises completed.
Grammar: 1 exercises completed.
Pronunciation: 1 exercises completed.
